5. KEEP IT CONCISE

Limit your response to 1-2 minutes.

Stick to 3 sections: Introduction, Skills/Achievements, and Conclusion.

Example: “I’m [Your Name], a recent graduate in [Your Major]. I’ve gained experience in [Key Skills]”

6. STAY NATURAL & CONFIDENT

Practice, but keep it authentic and natural to make a great impression!

Example: "I've practiced for this interview, but I'll focus on being myself to ensure we have a genuine conversation."

Sample 1 : For Freshers with No Internship Experience

"My name is [Your Name], and I recent graduate in [Your Major] from [Your University]. In college, I honed my [relevant skill(s)] through projects like [specific project], where I used [skills/tools] to address [specific problem], building a foundation in [industry-related skills].

I also engaged in activities such as [relevant clubs or volunteer work], enhancing my teamwork and problem-solving skills.

I'm excited about the opportunity at [Company Name] to apply my knowledge and contribute to your team while growing in the industry.

Answer : For Freshers with No Internship Experience

My name is Priya Sharma, and I recently earned my Bachelor's in Business Administration from Delhi University. I worked on projects like a consumer behavior study for an e-commerce firm, enhancing my market research and data analysis skills.

I also participated in the marketing club, organizing events that improved my leadership and communication abilities while teaching me teamwork and time management.

I am excited about the opportunity at your company to apply my knowledge and contribute to your marketing efforts while growing in the field.

Sample 2: For Freshers with Internship Experience

I'm [Your Name], a recent graduate in [Your Major] from [Your University]. I interned at [Company Name], gaining practical experience in [specific field]. I worked on [specific tasks/projects], utilizing [skills/tools] and achieved [accomplishment]. This shaped my understanding of the [industry] in a real-world context.

I also engaged in [academic projects/extracurriculars], enhancing my [skills]. I'm eager about the opportunity at [Company Name] due to my passion for [field] and believe my experience will benefit your team.

Answer: For Freshers with Internship Experience

My name is Priya Sharma, a recent Business Administration graduate from Delhi University. I interned at XYZ Solutions, gaining practical experience in digital marketing by managing social media and creating engaging content that boosted our followers by 15%. I collaborated with my team to analyze data and refine marketing strategies.

This experience strengthened my skills in content creation, data analysis, and campaign management. Additionally, I conducted a market research study on customer satisfaction that enhanced my analytical abilities.

I am excited about the opportunity at your company as I am passionate about digital marketing, and I believe my experience and academic background will allow me to contribute effectively to your team.
